

Working towards a shared National Manifesto

people
make it
work

we are culture people

Supported using public funding by

**ARTS COUNCIL
ENGLAND**

Diversity
and
Inclusion

Advocacy

Young
people
centred

Sustainability

Collaboration

Increase diversity and inclusion at all levels

Reflect the diversity of the communities we work with

Equal access for children and young people

Identify and remove barriers

Diversity &
Inclusion

Work '**with**' young people not '**for**'

Be a vehicle for youth voice; develop, value and drive youth voice to affect positive change

Support strategic involvement of young people

Evidence and advocate career pathways in Arts and Culture Industry

Young
people
centred

Evidence led and evidence informed

Responsive to needs and gaps

Shared resources for fundraising and advocacy

Strong networking framework

Sustainability

National Voice - a statement of intent

National Vision - for the greater good

Challenge power structures and innovate ways of thinking

Shared understanding, purpose, agenda and goals

Joined up network where expert advice
can be sought from each other

Collaboration

Change the hearts and minds of national and local leaders

Retain and enhance an arts offer in all schools - build strategic priorities that work for schools

Evidence and advocate the role of arts and culture in health and wellbeing

Advocacy
